### PANEL SESSION

#### Network Evolution: 5G in 2020 and Beyond

Join CONNECT panelists, David McCarley and Philip Sorrells, as they discuss the evolution of the network from 4G LTE, the path to 5G and its relation to IoT, and machine-to-machine (M2M) creating a network of networks.

**David McCarley**  
Strategy & Technology  
Advisor

**Philip Sorrells**  
Market Strategy Advisor for  
Business & Technology

### WORKSHOP

#### How to Inspect and Clean Fiber

Keep your fiber clean and increase product longevity with firsthand training and instructions from workshop co-hosts Anritsu and Microcare's Sticklers.
